Welcome

In 2014 the **XVII Applied Economics Meeting** will be held in Gran Canaria next June 5 and 6. This edition is organized by the [University of Las Palmas de Gran Canaria](#) (ULPGC) who is also celebrating its 25th anniversary. The Applied Economics Meetings, promoted by the [Asociación Libre de Economía](#) (ALdE) and the [Revista de Economía Aplicada](#) (REA), are conceived as a channel to disseminate and discuss research works that deepen the knowledge of reality through the use of applied economic analysis.

This year's first plenary lecture will be given by [Prof. Jeffrey E. Harris](#) (Massachusetts Institute of Technology), about the recent developments in the US national health system and the lessons that economists may learnt from it, under the title *Obamacare: from the eye of the storm*. In the second plenary lecture [Prof. Andrés Rodríguez-Pose](#) (London School of Economics) will dissert about infrastructure investment and politics and the title of his conference is *Government quality and the economic returns of transport infrastructure investment in European regions*.

As in previous editions, the 2014 **ALdE Prize for Young Researchers** will be awarded during the meeting to the best paper whose authors are under 35 years old. For all the other papers the Scientific Committee is still negotiating their publication as proceedings or as a special issue on a relevant journal.

In preparing the parallel sessions, the Scientific Committee had the opportunity to select among more than 200 papers submitted, covering all areas of applied economics. Unfortunately, space limitations meant that a number of relevant papers could not make it finally onto the program.

We gratefully acknowledge the support of our patrons and sponsors. Special thanks are due to the University of Las Palmas de Gran Canaria through its [Department of Quantitative Methods in Economics and Management](#), its [Department of Applied Economics](#) and the [Faculty of Economics, Management and Tourism](#). The meeting has also been supported by the [Cabildo de Gran Canaria](#), the [Ayuntamiento de Las Palmas de Gran Canaria](#) and the [Ayuntamiento de San Bartolomé de Tirajana](#). We extend our gratitude to our main private sponsors, [Hospital Perpetuo Socorro](#), [Bimbo Gran Canaria](#) and [Tirma](#), and to all the people that have helped us behind scenes.

On my behalf and the remaining members of the Scientific and Organizing Committees, we sincerely hope that you will spend an intellectually challenging and fruitful time with us. Enjoy the meeting and enjoy Gran Canaria.

With my best wishes,

Beatriz González López-Valcárcel

Additional Information

About the venue

- The EEA2014 meeting is hosted by the **FACULTAD DE ECONOMÍA, EMPRESA Y TURISMO (FEET)** of the [University of Las Palmas de Gran Canaria](#) (ULPGC). The **FEET** is located at the *Campus Universitario de Tafira*, about 8 kms outside the city of Las Palmas de Gran Canaria (see [map](#)). There is a bus stop near the FEET main entrance. (Free) parking spots around the Campus are available, although public transport is recommended.
- EEA2014 venue is **MÓDULO D (D-Building)** of the **FEET**. There will be an **INFORMATION POINT** at the ground floor, for registration and any other meeting-related issue.
- The *Opening* (Thursday 5, 12:00-14:00) and *Closing* (Friday 6, 17:30-19:00) ceremonies will take place at the **Salón de Actos** of the **FEET**, located 100 meters outside **MÓDULO D**.
- Parallel sessions will take place at **MÓDULO D** classrooms, according to the distribution and language designated at this program. All the rooms have a PC connected with a data projector. Please bring a USB key containing your presentation in PDF (preferably) or PowerPoint format.
- EEA2014 participants will also have a working room with computers and printers. There is open Wi-Fi coverage at all university buildings.
- Coffees and lunches will be served at **MÓDULO D halls** (floors 2&3) at the indicated times. There also exists a cafeteria at **MÓDULO C** (basement) of the **FEET**.

About the social events and transport

- As social events, EEA2014 includes a **Welcome Cocktail** (Thursday 5, 20:00) at the ULPGC Rectorate gardens, a **Guided Walk** through the *Barrio de Vegueta* (Thursday 5, 21:00), the founding quarters of the city in 1478, and a **Gala Dinner** (Friday 6, 21:30), at the **Gloria Palace Hotel**, located in the touristic municipality of San Bartolomé de Tirajana (*Maspalomas Costa Canaria*). Although these activities are included in the registration fee, **vouchers** – received upon registration – are needed for admission. Those EEA2014 participants that wish to attend to them with non-registered companion should contact the **INFORMATION POINT**.
- Both on Thursday 5 and Friday 6 there will be a **bus transfer service** from the recommended hotels to the EEA2014 venue. Bus departure from the hotels is estimated between 8:30 y 8:45.
- On Thursday 5, 19:30, there will be a **bus transfer service** from the EEEA2014 venue to the ULPGC Rectorate and the recommended hotels. After the cocktail and the guided walk, there will be the possibility of enjoying Vegueta animated nightlife. No transport service is provided at this time.
- On Friday 6, 19.00, there will be a **bus transfer service** from the EEA2014 venue to the recommended hotels. Between 20:30-20:45, buses will arrive again to transfer the participants to the **Gala Dinner at San Bartolomé de Tirajana** (see [map](#)). After the Gala Dinner there will be a bus transfer service back to the hotels.
